❑ story time :

Happy cloud

There was a cloud. It floated over hills, jungles, rivers, valleys and mountains. One day the Jungle asked it, "What is your name?" It said, "I am Happy." "Where is your home?", asked Jungle. Happy said, "I don't know."

Then they became friends. They talked and talked and talked. Happy started feeling cold. Do you know what happened? It started raining slowly. Zim...zim...zim... Sun came to see the rain. After sometime, the rain stopped.

The Jungle looked at Happy and said with wonder, "My dear Happy, look, there is a rainbow over you!" Happy looked up at the rainbow. The Sun was smiling at Happy. "It is my gift for you.", said the Sun. "But why?", asked Happy. The Sun said, "Because you are happy. And happy people can make others happy."
