(watched, was, went, heard, laughed)

once a shepherd boy went to the jungle.  
He went his flock of sheep. He was bored in the  
afternoon. He had a trick for a fun. 'Help! Help!', he  
cried, "wolf! wolf! I am in danger".

The people in the village heard his shout.  
They came running there. The shepherd boy laughed and  
said, "There are no wolves. It was just fun"
