UNIT NOTES

Let's Boogie Woogie

You put your right foot in

You put your right foot out

You put your right foot in

And you shake it all about

You do the Boogie woogie and you turn yourself around

That's what it's all about!

I'll do the Boogie woogie

I'll do the Boogie woogie

That's what it's all about!

You put your right hand in

You put your right hand out

You put your right hand in

And you shake it all about

You do the Boogie woogie and you turn around

That's what it's all about!

I'll do the Boogie woogie

I'll do the Boogie woogie

I'll do the Boogie woogie

That's what it's all about!

You put your left leg in

You put your left leg out

You put your left leg in

And you shake it all about

**You do the Boogie woogie and you turn around
That's what it's all about!**

Story time :

The Tortoise and The Swans

There was a beautiful lake. Two swans and a tortoise lived in it. They were good friends. One day, one of the swans said to the other, "The lake is dry. So, we have to go to another lake." The tortoise was worried. He said to the swans, "You have wings. Therefore, you can fly. But I cannot fly. So, what shall I do?"

One of the swans said, "Don't worry. We'll carry a stick in our beaks. You hold the stick with your mouth." The other swan said, "But you promise us that you would keeps your mouth shut." The tortoise held the stick in his mouth. The swans flew high in the sky."

After some time they were flying over a village. The people of the village cried, "Oh! What a scene!" and all the boys and girls shouted... "What a scene!"

**The foolish tortoise wanted to know why
there was so much noise. He forgot his promise and
asked the swans, "What is the noise?"**

The tortoise fell down with a thud.
